Faculty of Environment and Information Studies
Graduate School of Media and Governance |
| 2. Address | 5322 Endo, Fujisawa-shi, Kanagawa 252-0882, JAPAN |
| 3. Position | Professor (tenured/non-tenured)
Associate Professor (tenured/non-tenured)
Assistant Professor (tenured/non-tenured)
Level of position will be determined based on candidate's age and academic achievements. |
| 4. Salary | Based on Keio University Rules |
| 5. Type of Employment | Full-time |
| 6. Number of Positions | One or two |
| 7. Desired Profile
(Research Field) | A candidate who is able to conduct interdisciplinary research based on Business Management, Business Strategy or Entrepreneurship is required. In particular, the person should have outstanding abilities in research and practice, and be able to act on his/her own initiative. In addition, a strong candidate will have an appreciation for the founding principles of Keio University, and the SFC principles of problem finding and solving, and creating practical knowledge with emphasis on its application. Through collaboration at SFC, where researchers are "designing the future," the candidate is also expected to contribute to pioneering and creating values for a new |

academism, and making practical application of them in society .

8. Courses Lectures (undergraduate/graduate) and seminars (undergraduate)
9. Other Duties Participate on various University committees, attend administrative meetings, etc.
10. Qualifications Applicants are required to:
1. understand educational/research principles of Keio University and Keio University Shonan Fujisawa Campus (SFC);
 2. have outstanding research achievements in the field of business management, business strategy or entrepreneurship;
 3. have a network in research and practice at universities, research institutions and/or corporations throughout the world;
 4. have a DBA or Ph.D. (or the equivalent in educational/research works), or expect to earn the degree within three years from assignment to the position;
 5. possess the ability to use English for educational/research purposes and for conducting classes;
 6. be able to manage various collaborative activities beyond one's specialization; and
 7. be able to live in Japan and commute to SFC.
11. Application Deadline Monday, April 20, 2015 (Applications must arrive on or before this date.)
12. Starting Date September 2015 or April 2016
13. Application Materials (Documents should be A4 size)
1. CV: include full name, date of birth, nationality, contact information, education, employment history, areas of expertise and recent photo. Signed or sealed.
 2. List of works: research papers, books, oral presentations,

courses taught, etc.

3. Offprints or copies of three to five representative papers. If electronic media are to be used, acceptable media are CD-ROMs and DVD-ROMs. Data should be saved as PDF files in A4 format.
4. Essay of approximately 1000 words describing educational/research achievements, concepts for future educational/research goals, and designs for contributing to SFC
5. Letters of reference from two separate referees

Submitted materials will not be returned.

|------------------------------|--|
| 14. Selection Process | The selection process comprises document screening, a first interview (you may be asked to present a mock lecture), and a second interview. Information regarding decisions based on the screening process will not be publicly disclosed. Notification of a decision will be sent to each applicant by postal mail. |
| 15. Non-tenured Position | If employed for a non-tenured position, the faculty member can, in accordance with the Keio University Rules, apply to undergo a review for tenure. If the decision of the review is negative for the years specified for review, there will be no future opportunities to be reviewed for a tenured position. In this case, however, if both the University and the faculty member come to an agreement, the faculty member will be employed until the end of the maximum period of employment as set forth by Keio University. |
| 16. Address for Applications | Faculty Recruitment Office [Business Management, Business Strategy, and Entrepreneurship],
Keio University SFC
5322 Endo, Fujisawa-shi, Kanagawa 252-0882, JAPAN |
