

Pledge
(Security Export Controls under the Foreign Exchange and Foreign Trade Act)

To: The President of Keio University

I hereby pledge to comply with the following items regarding my enrollment at, my graduation from or my departure from Keio University.

1. During enrollment at Keio University, I will neither provide nor remove any property belonging to the University from its premises without permission. In any of the following cases, I will consult my supervisor (i.e. the academic staff receiving me as a student or a researcher) and, conduct the prescribed procedures based on the Foreign Exchange and Foreign Trade Act, related laws and regulations, and the internal regulations of the University.

(1) In the case that I intend to provide technical information related to research to a foreign country or to a non-resident or a resident under the significant influence of a non-resident (i.e. a person falling under the “Specific Categories”) during this period, or in the case that it becomes evident during this period that I will provide such information after leaving the University.

(2) In the case that I intend to export (send, take abroad, etc.) research equipment, materials used in research, or tangible objects acquired from research during this period, or in the case that it becomes evident during this period that I will export these items after leaving the University.

2. During enrollment at Keio University, I will not use the technical information obtained from research for the development, production, use, or storage of weapons of mass destruction (WMD) (nuclear weapons, chemical weapons, biological weapons, WMD delivery systems such as missiles, and unmanned aerial vehicles), conventional weapons, or materials, components, or products used in these weapons. I will use such technical information only for public welfare and civil purposes.

3. In any of the following cases after graduation or departure from the University, if necessary, I will conduct the prescribed procedures based on the Foreign Exchange and Foreign Trade Act, and related laws and regulations.

(1) In the case that I intend to provide technical information related to research provided by the University to a foreign country or to a non-resident or a resident under the significant influence of a non-resident (i.e. a person falling under the “Specific Categories”).

(2) In the case that I intend to export (send, take abroad, etc.) research equipment, materials used in research, or tangible objects acquired from research provided by the University.

4. After graduation or departure from the University, I will not use the technical information obtained from research for the development, production, use, or storage of weapons of mass destruction (WMD) (nuclear weapons, chemical weapons, biological weapons, WMD delivery systems such as missiles, and unmanned aerial vehicles), conventional weapons, or materials, components, or products used in these weapons. I will use such technical information only for public welfare and civil purposes.
