### Separate Sheet

Important Notes on Requesting for Special Measures on AO (Self-Recommended Admissions) Screening Conducted by the Faculty of Policy Management and Faculty of Environment and Information Studies at Keio University

- 1. The application must be made by the applicant him/herself. Even in the case where the applicant him/herself cannot apply, his/her permission must be obtained.
- 2. The application for requesting for special measures should be submitted to the Admissions Office in advance, at least one month before the last day of the online application period. The application should be made for each entrance exam (an application must be made again if the applicant takes a different entrance exam). In an event that it becomes unavoidably necessary to make a request for special measures due to urgent reasons, please consult the Admissions Office.
- 3. It may not be possible for the university to respond to all the requested measures in the application. The university will consider alternative measures and give a reply, so please take that into consideration and make a final decision on whether or not to apply to the university.
