

July 7, 2021

To all faculty and staff members:

Facilities and Accounting Office

Notification of Planned Power Outages and Water Outages at Shonan Fujisawa Campus for AY2021

Planned power and water outages will be implemented accompanying routine inspection of electrical equipment, installation of water refining equipment, etc. in the drinking water system, and renovation of substation equipment in the Main Building. Lights, outlets, air conditioning units, toilets, etc. will not be available during this period.

We apologize for any inconvenience this may cause, and thank you for your understanding and cooperation in the safety management of electrical equipment and the maintenance of facilities.
