- Keio University is entrusted with the collection of the Materials Distribution Fee and Other Course-Related Fees and the Student Health Care Mutual Aid Association Registration Fee and Annual Fee, which may be revised as required each academic year while you are studying at the university.

2. Academic Fees during Enrollment

Keio University applies a sliding scale set forth in the University Rules and Regulations to calculate the registration and tuition fees, and students must pay a specific amount based on this system each academic year of enrollment. It should be noted that the yearly rate of increase is based on the sliding rate (i.e., the rate for national public-servant pay increases as reported on the previous year by the National Personnel Authority).

3. Refunds

In principle, academic fees cannot be refunded. However, all fees will be refunded to those who have declined the offer of admission by the appropriate method and date. The deadline for declining admission will be written in the Enrollment Registration Guide.
